Mission Statement

We believe that music is enjoyable and beneficial for everyone, regardless of age, talent or personal background. Music is a language that everyone can learn to communicate. Whether you are a young child who is just being exposed to music, a school age student who strives to perform and compete, or an adult who wants to play for personal enjoyment, we believe in the power of music to greatly enrich every life. We at Lafargue Music School aspire to reveal the music ability inherent in every person and develop that ability to the maximum benefit for every student.

Payments

Tuition is due monthly on the 25th of the month prior to lessons. We accept payments online at www.LafarguePianos.com, over the phone at 504-831-3008, and by check. We can set up automatic payments on a credit or debit card or by bank draft. If for any reason payment is not received by the 25th of the month, the student will have a five day grace period before a \$25 late fee is added to the account. Once a late fee is incurred, the student's lessons are suspended until full payment is made. Lessons missed due to suspension are not made up. Any check returned NSF will result in a \$25 late fee. Having two checks returned NSF will result in future payments being accepted only by cash or credit card.

Missed Lessons

Lafargue Music School does not make up lessons when students miss their regularly scheduled lesson, and no refunds are issued. Our teachers are professionals and we provide a clean space and quality instruments. Your tuition reserves your teacher's time and the music room. If a teacher must unavoidably miss a lesson, we will definitely reschedule. Whenever possible the makeup lesson will be with the student's instructor, however a substitute instructor may have to teach that lesson.

School Holidays

Lafargue Music School is closed annually on the following occasions:

- Labor Day
- Thanksgiving, Wednesday-Saturday
- Christmas/New Years, two weeks
- Mardi Gras, Saturday-Tuesday
- Easter, Friday-Saturday
- Memorial Day
- July 4

Lessons missed due to holidays are not made up.

Purchase of Music

The teacher will select method books and repertoire for the students. The student may conveniently purchase music at Lafargue Pianos. The student must bring all music to each lesson. A lesson cannot be taught without music nor will music be loaned.

Practice

Daily practice with your instrument is crucial to the learning process. The student is not only acquiring cognitive knowledge, but also developing new physical skills. The student will learn proper technique, theory and repertoire during his/her lesson, but will not retain these skills if he/she only uses them once each week. Music education is no different from academic education in that a child must do his/her homework in order to learn. Progress is directly related to frequency and quality of practice. The length of practice sessions varies with the age of a student and the type of repertoire being studied, but consistency is the key. A short, consistent practice time every day is much more profitable than long, irregular practice times.

Performances

Students who qualify will be encouraged to participate in various competitions. These include but are not limited to:

Jr. Festival	Romantic/Contemporary Contest
Metairie Music Club Composition Contest	Sonata Contest
Jr. Composers Contest	Jazz Contest
Metairie Music Club Piano Competition	Bach Contest
National Music Week Essay Contest	Rally
National Music Week Bookmark Contest	Guild Auditions

Additional performance opportunities will be provided through themed recitals throughout the year. The purpose of these special recitals is to provide students with informal performance opportunities in which they are likely to be less nervous than in a more formal setting. Students are encouraged to perform on the formal recital in May of each year.

In an effort to keep the facility in good order and to keep students safe, please adhere to the following rules:

- No food or drink
- Please stay off the stage.
- Students are welcome to stay in the recital hall before and after their lessons but should remain seated and do a quiet activity such as homework, reading, quiet electronic games, etc.
- All students under the age of 12 must be picked up from the school on the second floor after the child's class or lesson.

Photo/Video Policy

Lafargue Music School reserves the right, and may give permission to its photographer or outside media, to photograph classes, programs and participants at our facility. Please be aware that these photos are for promotional purposes and may be used in future publications and media communications. By participating in the Music School classes and programs, you consent to the taking and publication of your photograph for these purposes. If you do not wish your child or yourself to be photographed or videotaped, please notify the school office by email at jill@lafarguepianos.com.

Open Door Policy

As long as the student is comfortable, we welcome parents to sit in on their child's lessons or a portion of a lesson at any time. No advanced notice is required.

Termination of Lessons

Written notice indicating the date of the student's final lesson must be given to the school director before the 25th of the month in order to avoid paying for the following month. No refunds are given for a student who withdraws from lesson in the middle of the month.

Student Responsibilities

We ask that each student do the following:

- Arrive to lessons on time. Students who arrive late do not receive the benefits of a full lesson.
- Be prepared for your lesson by reviewing all assignments and bringing all necessary materials to your lesson.
- Enjoy making music!

Parent Responsibilities

The parent's attitude and involvement is vital to a child's success in music. It is important that your children practice, without interruption, and attend their lessons on a regular basis. Good habits encourage success, and well-placed praise helps them continue. If your child encounters difficulties in learning or practicing, please let your instructor know. Communication is very important, and the teachers want to help their students and parents. We are honored that you entrust your child's music education to us at Lafargue Music School, and we thank you for that privilege.
